

Specialty Tutoring is now a part of the Kroger Community Rewards program!

Kroger Community Rewards makes donating to local nonprofit agencies easy...all you have to do is shop at Kroger and use your Kroger Plus Card! What a wonderful way to provide opportunities to local children without ever spending an extra cent!

**We're asking if you would please take a couple of minutes to enroll now!
(This will not affect your Kroger account or gas points in any way :)**

Step 1: You will need to know your Kroger Plus Card number to enroll. The number is on the back of your card under the barcode.
If you do not already have a Kroger Plus card, it is free and easy to get one at your local store. If you use your phone number (called Alt ID) when you check out, call 1-800-576-4377 (ext. 3) to find out your Kroger Plus card number.

Step 2: Go to krogercommunityrewards.com

Step 3: Click on the orange "Create an Account" button.

Step 4: Enter your email address and create a password, then enter your zip code and select your favorite store. Click the orange "Create Account" button.

Step 5: Add your Kroger Plus Card number and last name, and click "Save."

Step 6: On the Account Summary page, scroll to the bottom of the page under the Community Rewards section and click the orange "Enroll" button.

Step 7: Enter your name and address and click "Save."

Step 8: To find our organization, enter the **NPO** number **18766**, click "Search," select Specialty Tutoring, and click "Enroll".

Step 9: When you are purchasing at any Kroger Food or Gas location nationwide, swipe your Kroger Plus Card (or use your phone number/Alt ID) as usual, and Kroger will make a donation to Specialty Tutoring! 😊

(If your Kroger Plus Card is already linked to another organization, and you would like to change it, you can edit it on your account summary page, or by calling customer service at 1-866-221-4141.)

Thank you!!! Please spread the word and encourage your family members and friends to sign up for Kroger Community Rewards and to choose Specialty Tutoring!
